COMPANY OVERVIEW

ARUSI, LLC is a Verified Veteran-Owned Small Business (VOSB) based in Phoenix, AZ. For more than 35 years, ARUSI has delivered exceptional Engineering and Design services in the energy and telecommunication industries for public and private sectors alike.

ARUSI employs a diverse staff of multi-disciplined Engineers (Mechanical, Civil and Electrical) for cross-specialization that provides a broadened scope of service offerings delivered more efficiently, to better meet customers' manifold needs.

ARUSI manages hundreds of jobs annually for utility companies in the Southwestern United States designing over 600 miles of electrical/transmission lines and more than 235 miles of fiber optic cable, adding \$3.5M to their growing annual revenue.

CORE SERVICES

To meet their customers' expanding needs, ARUSI is adept at providing Engineering and Design services in the following areas:

Utility Engineering, Coordination and Consulting

- Power system studies
- Dry Utility Engineering
- Land survey - RLS
- Geotechnical
